PHASES

The major change that old and new Norview students had to adjust to was the phases. Under this new system, students received a new schedule each nine weeks complete with new subjects, teachers, and classmates. The courses were chosen from a small book, the Student Curriculum Guide. Students no longer signed up for such subjects as English, math, and history. They now signed up for Monsters, Witchcraft, and Marriage. The phase system was designed to allow students to take the courses that interested them and would help them in their vocational fields.

SPIRIT

Spirit throughout the 1976-77 school year was at an all time high. Under the leadership of the cheerleaders and the pep club, fans showed enthusiasm at sport events. Early in the year several pep rallies were held to boost spirit of the football team and its supporters. Spirit was also prevalent in clubs and their activities. The Booster Club rented a billboard to relay Norview spirit during football season. They also sold "Pilot" bumper-stickers. The cheerleaders sold spirit ribbons as they traditionally do during football season. Homecoming corsages were supplied by the National Honor Society. While the students at Norview are constantly changing, the spirit and enthusiasm remain the same.

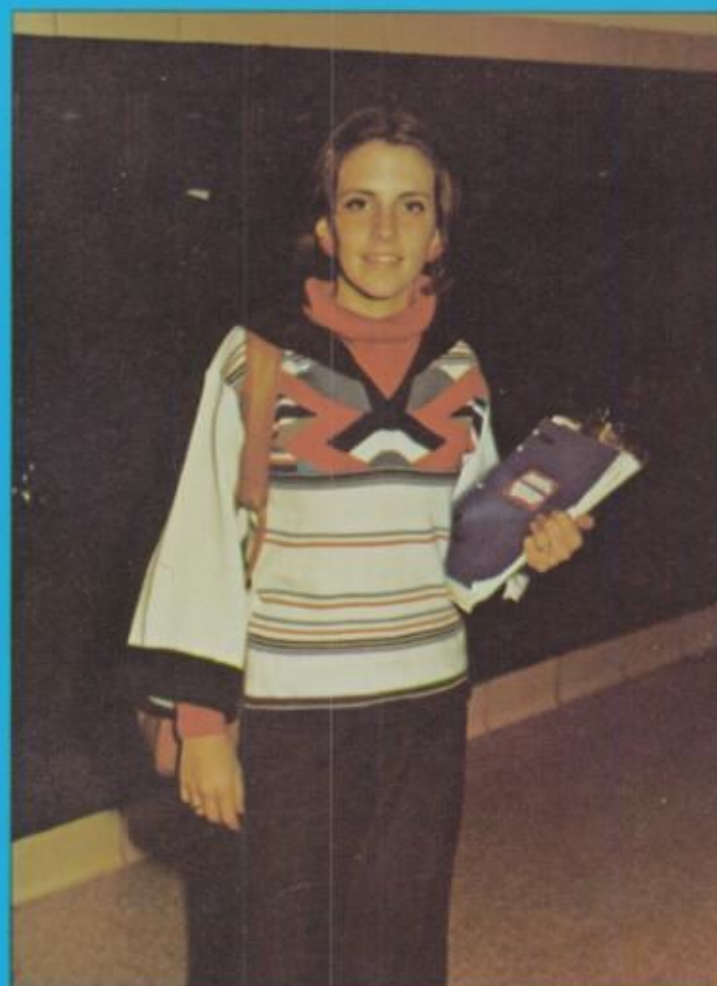

Returning students to Norview found that many changes had taken place over the summer. Students who rode the buses were picked up by new yellow school buses. In October, the bus drivers went on strike and gave the students a break as administrators were forced to cut the school days in half for two weeks. Another noticeable change occurred in the guidance office. In order for counselors to have enough room to handle the many questions and schedule changes, an addition was put on the guidance office, and it was remodeled. There were also changes found in the library. A new system of checking students into the library was started so that the students were not disturbed by those who wanted to socialize. Truly the returning students found many adjustments had to be made.

CHANGES

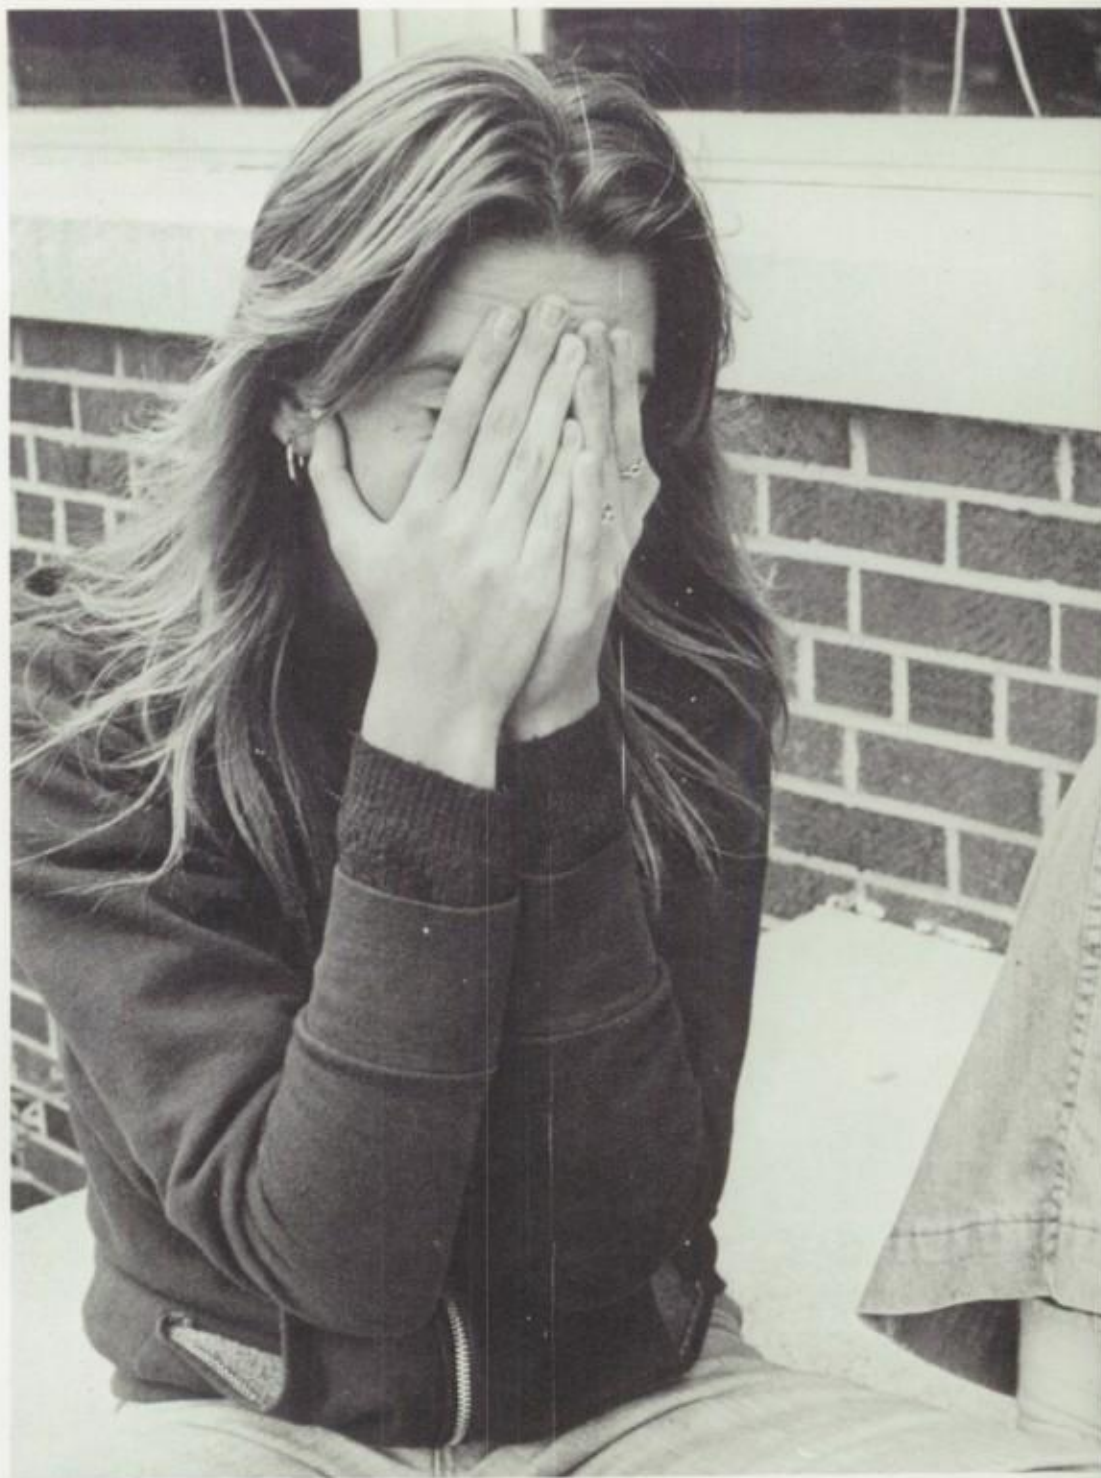

Along with the other changes at Norview this year were the new clothing fads. Dresses of every length were worn with shoes of various heights. Bright colored sweaters were popular among both sexes. The gaucho skirt was one of the biggest fads in fashion this year, but jeans were still popular everywhere on campus. The returning popularity of boots added to the new styles. With the great variety in fashion this year, everyone was able to dress in a style that met his or her comfort and taste.

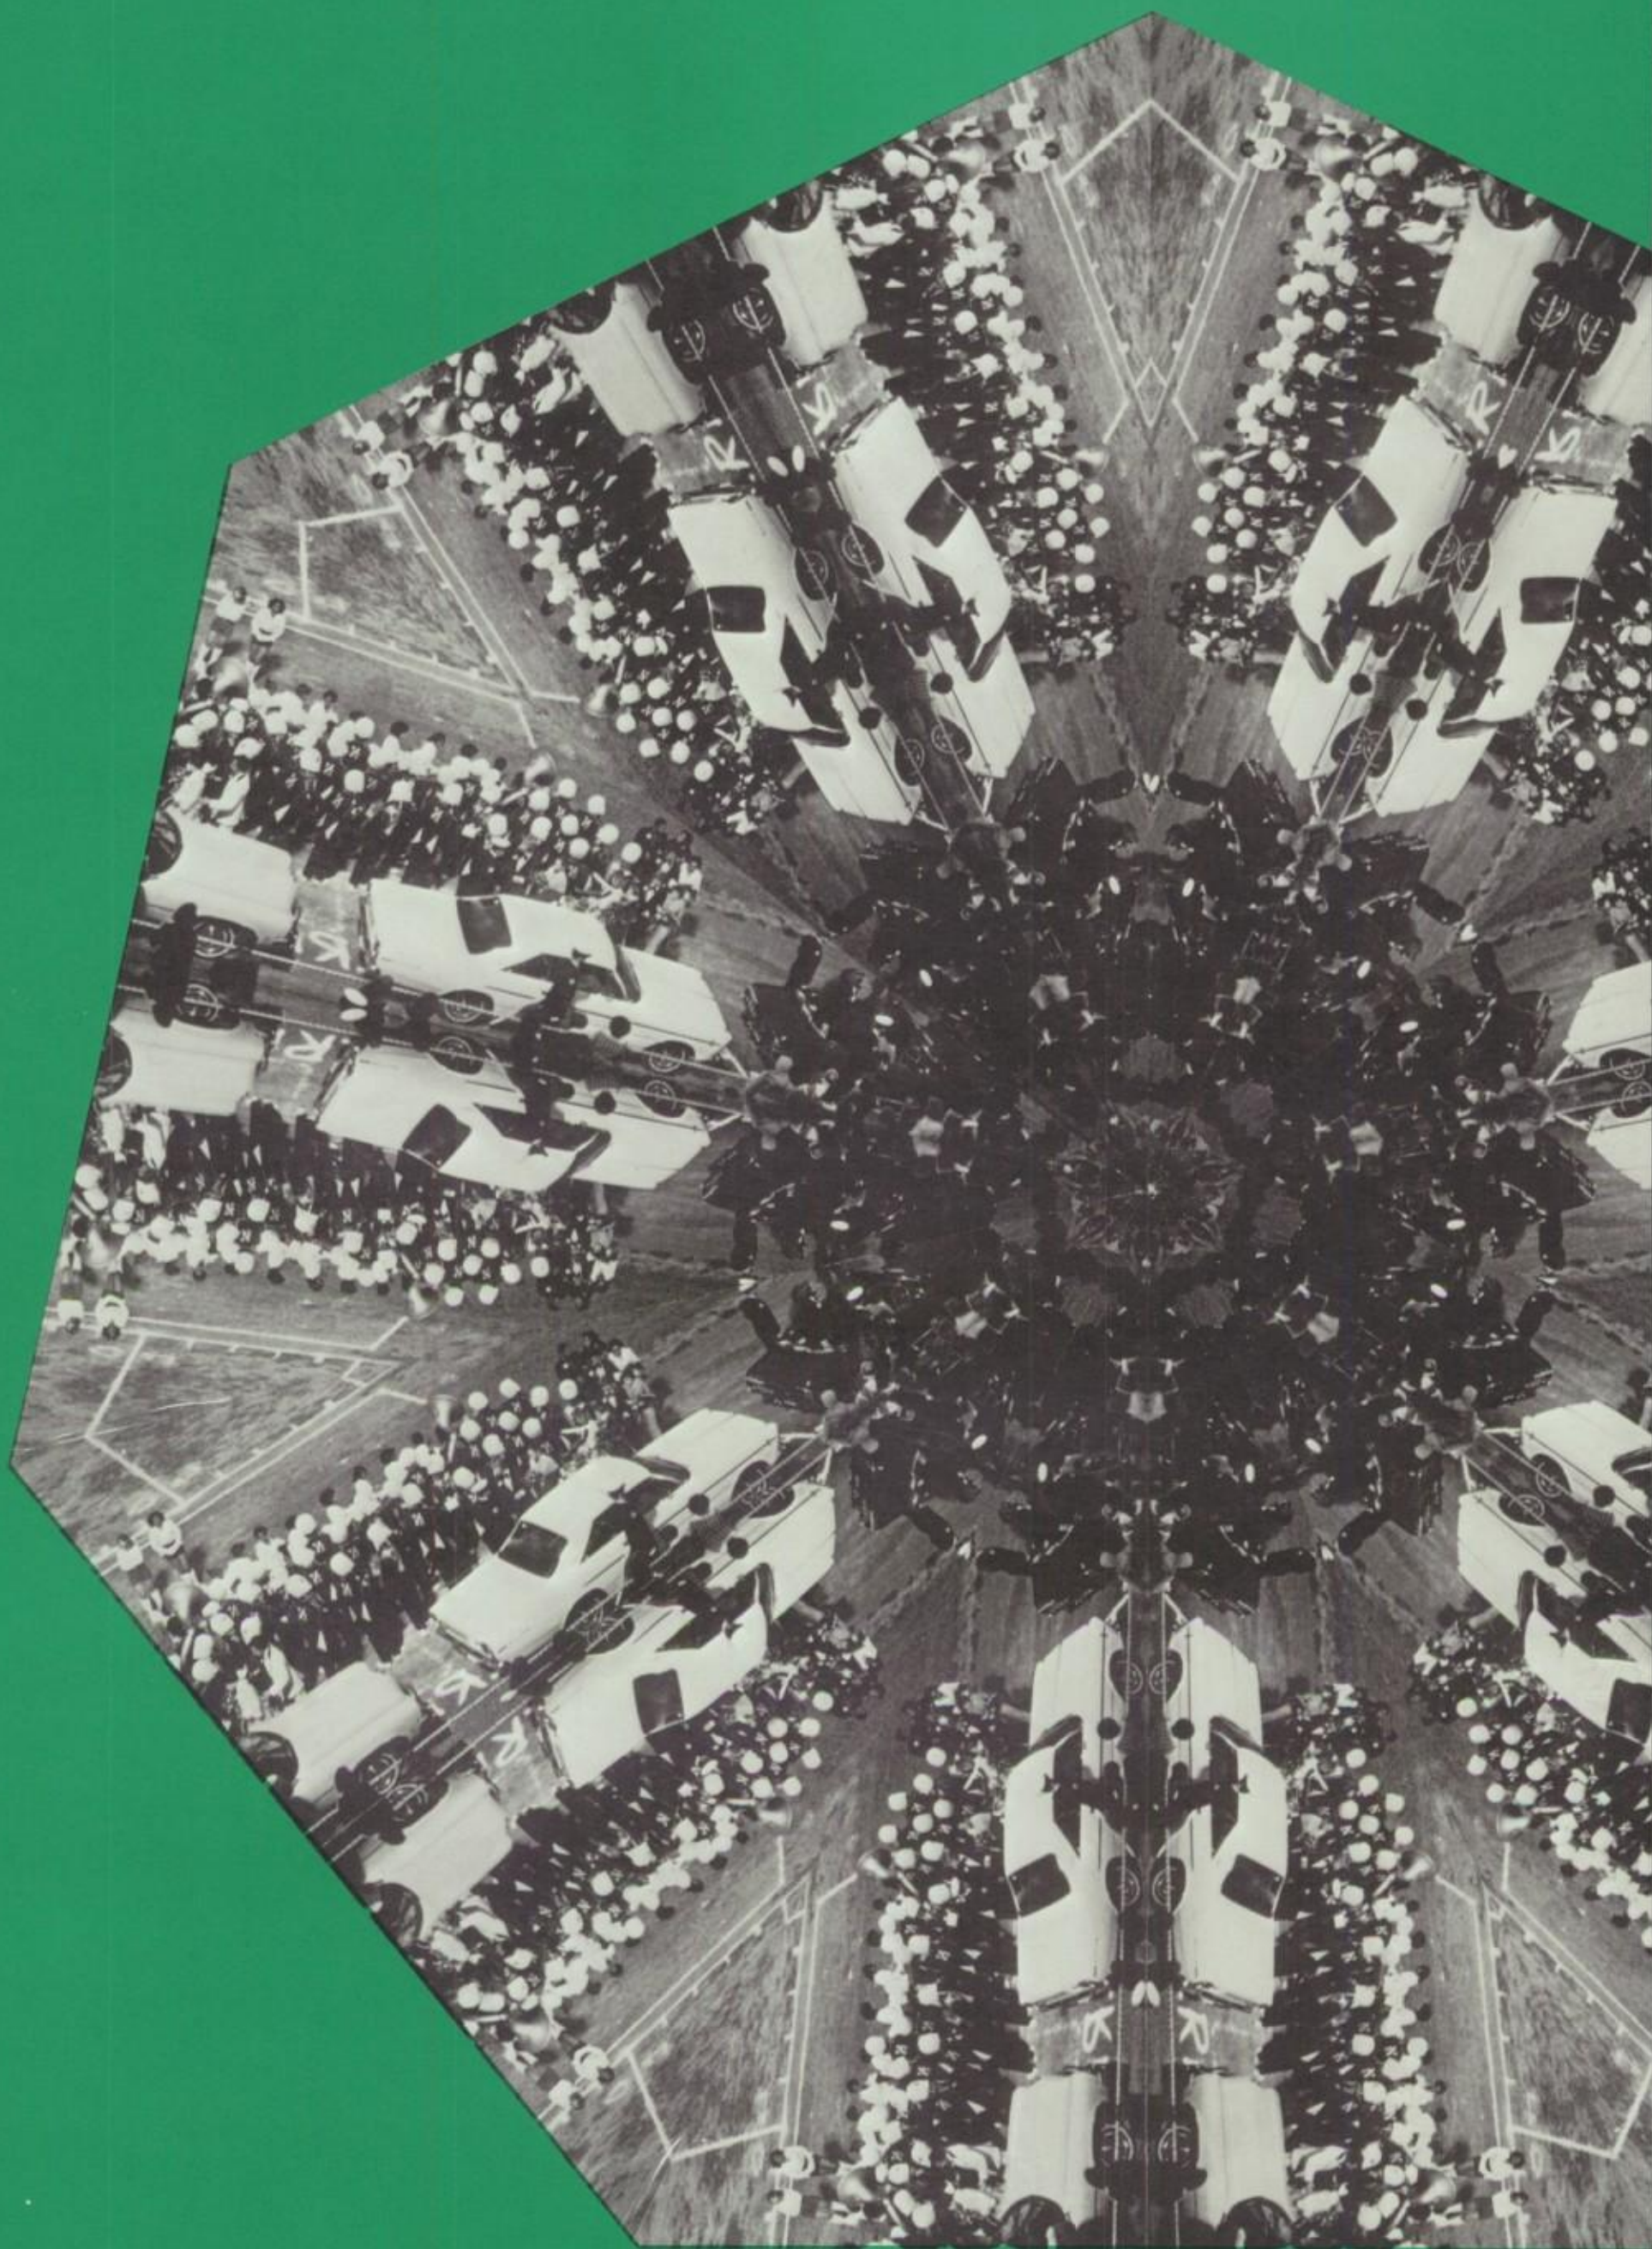

FASHION

Student moods are always changeable, and 1977 was no exception. These moods were often affected by the weather. As usual, the "blues" were created by rain. As we saw our first snow, the school was filled with excitement. However, by the fifth snow of the year, most people were ready for the warm weather to return. The first sunny days found Norview students eager to leave classes and head for the beach. As the year progressed, and the weather became nicer, the mood was one of anxiousness for the arrival of June 17.

Homecoming 1976

Homecoming '76 was one of the most outstanding events of the year. Activities consisted of a movie, 50's dress up day, sock hop, bonfire, and a pep rally. The main theme, "The 50's," was highlighted Friday night at the game against Kempsville. Sheree Hodnett, escorted by Thomas Blanchard, was crowned Homecoming Queen by retiring Queen, Donna Tye.

Homecoming Events

Governor's School

During the summer, Norview was honored to have two of its students attend the 1976 Governor's School for the Gifted. Karen Reese and Marisa Catoe were chosen from among several hundred applicants statewide to participate in schools located in Lynchburg and Fredericksburg. Lasting a month, the program gave the students an opportunity to enrich their education in selected fields of study.

Boys State

Girls State

John Maniscalco, Wesley Stewart

Last year ten students from Norview High School were selected to attend Girls and Boys State. The purpose of this program was to teach responsible students how the government is run. These students attended seminars and set up their own state government. They elected delegates, city council members, senators, and held party conventions to select nominees for Governor, Attorney General, and Lieutenant Governor. The students returned from the trip with many new ideas and lasting memories.

Front row: Denise Reynolds, Darlene Ratliff, Mary Fields. Second row: Andrea Tyndall, Brenda Wolfred, Vicky Williams, Sheryl Colyer, Darlene Green.

Donkey Basketball

Since its beginning in 1976, donkey basketball has become popular with Norview students as well as the faculty. The second annual donkey game was sponsored once again by the Norview Booster Club. The half-time activities included diapering a donkey. The seniors were awarded this event. The donkey queen was Sheree Hodnett, and the king was Jerome Caldwell. Many students are looking forward to more donkey games in the future.

Sports Banquets

The sports banquets are held bi-annually: Spring and Fall. In addition to food and fun, the main feature of each evening is to recognize outstanding players of each sport with special awards. In return, the coaches are also awarded various gifts by the players. These banquets highlight the year for Norview athletes.

Special honors from Coach Tata to Quarterback Mike Kelly.

Mr. Brown congratulates Miss Fardette and the girls' basketball team. Captains: Janice Credle and Wynta Williams.

Reminiscences of the eventful season — the good, the bad, but mostly the excitement.

The cheerleaders . . . not only an exciting part of the games but also of the Sports Banquets.

Thomas Bond receives an award from Mr. Brown.

The athletes make Norview #1!

Vo-Tech

Norfolk Technical Vocational Center offers courses for students who want to learn vocational skills in addition to earning credits toward graduation. These students spend part of their day at Norview taking academic courses and part of their day at Vo-Tech taking classes in Data Processing, Nursing, Auto Mechanics, Architecture, Commercial Art, Air Conditioning/Heating, Electricity, and Child Care.

"I can't wait until it's finished."

"This is AP English . . . Advanced Placement . . . College Level . . . I thought you'd like that."

"This is a hand, yes, and fingers."

"Everyone got a D in Chemistry this 9 weeks."

Reviewing a test . . . learning from mistakes.

All these yearbooks, why do we have to make a new one?

"Mrs. Hosay . . ."

"What can I say?"

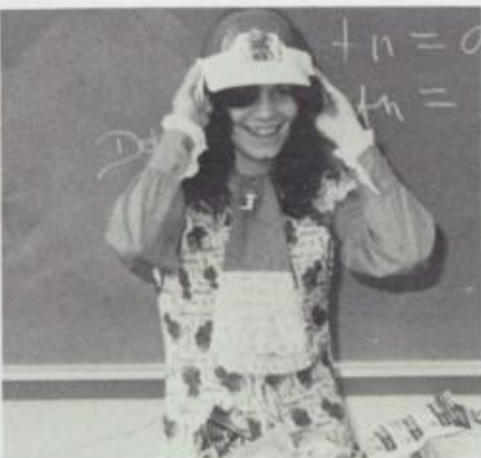

Weighted classes, such as the Advanced Placement classes, American Studies, chemistry, and physics, give gifted students a chance to prepare themselves for college. The students must prove that they are capable of such challenging, hard work. The AP students gain college credit as well as privileges to check out books from local college libraries. The American Studies Class takes an educational trip at the end of the year to New England. Overall, these classes enrich the students' education.

Dissecting is only a part of biology.

"Yes, this is what a yearbook is. Don't worry, I'll be there to give my assistance."

Student Aides

Front row: Cressette Leach, Susan Sides, Suzanne Wilgus. Second row: Lynne Gordon, Felicia Arrington, Denise Taylor, Arthur Williams.

The student aides at Norview help provide many services for the students. The library aides help students find study material and check out books. All of these aides help the school in as many ways as they can.

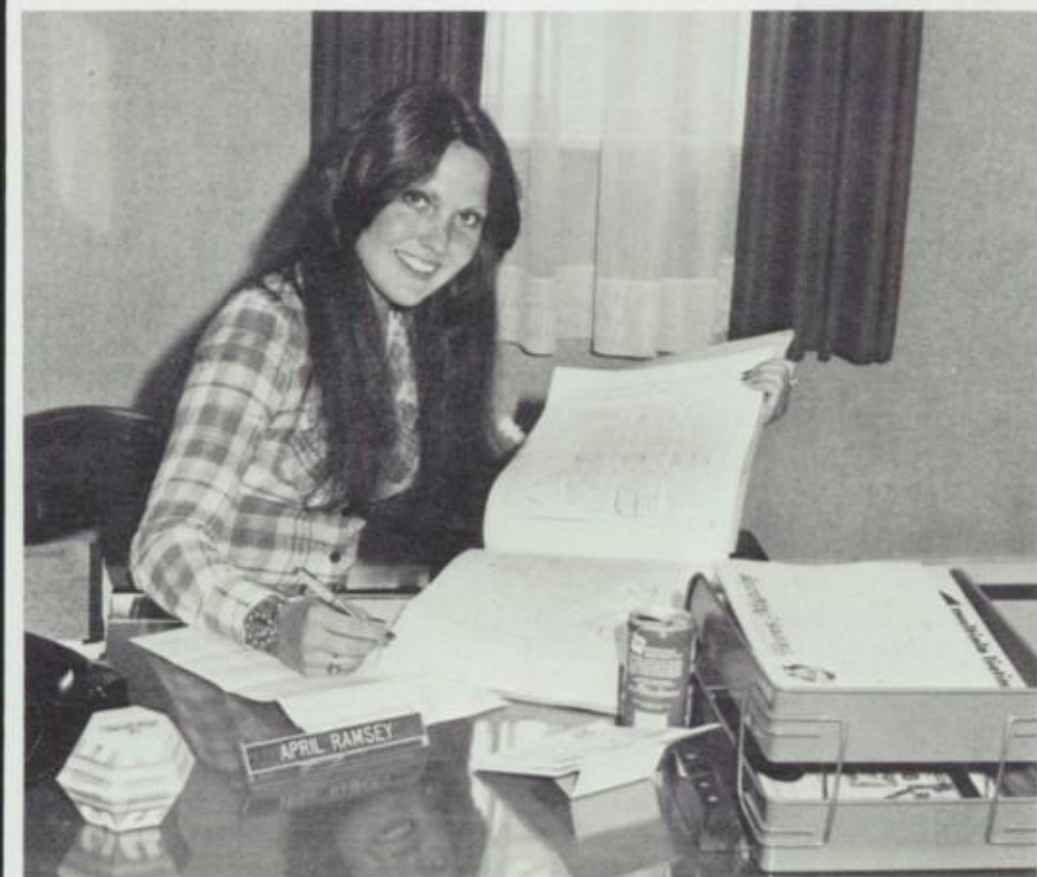

Front row: Linda DeMaio, Marvette Norman, Kim Durand, Belinda Bolling. Second row: Lori Thomas, Olivia Ryland, Brenda Scroggins.

O.K. now, ONE more time!

This year Norview's assets included a squad of J.V. cheerleaders who possessed outstanding talent as well as un-failing spirit. The girls began their work during the summer when they attended N.C.A. camp which was held at O.D.U. They proved their ability by winning two excellent ribbons, two superior ribbons, and a spirit stick. During the school year, the squad cheered the J.V. football team to a winning record of 6-0, sold programs at varsity games, and cheered for basketball, wrestling and other athletic events. This year's J.V. sponsors were Mrs. Peggy Bowen and Mrs. Jean Fisher.

Neither rain nor sleet
dampen their spirits.

VARSITY

"Honest girls, they were this tall!"

During the "76" football season, Pilot fans were treated to every possible emotion. The sweet moments of victory were counterbalanced by the disappointment of several losses.

The Pilots opened the season with four straight victories. Their perfect record was then offset suddenly by two shuddering defeats to Hampton and P.A.

"Lake Taylor did not win . . . we lost to the clock," fans argued when Norview later bowed to the Titans 20-14. Nonetheless, the Pilots were relegated to a 2nd place finish in the Eastern District. Their final 6-4 record was brightened by two upset victories over favored Bayside and Kellam. Prospects for a more successful season next year look bright.

.....COUNTRY.....

It appears that quality cross country runners are very unique individuals. They are aware of the tremendous stress that their bodies can withstand and are willing to push themselves to exhaustion. To be competitive in the 3.1 mile meets, participants must overtrain by running between six and ten miles per day.

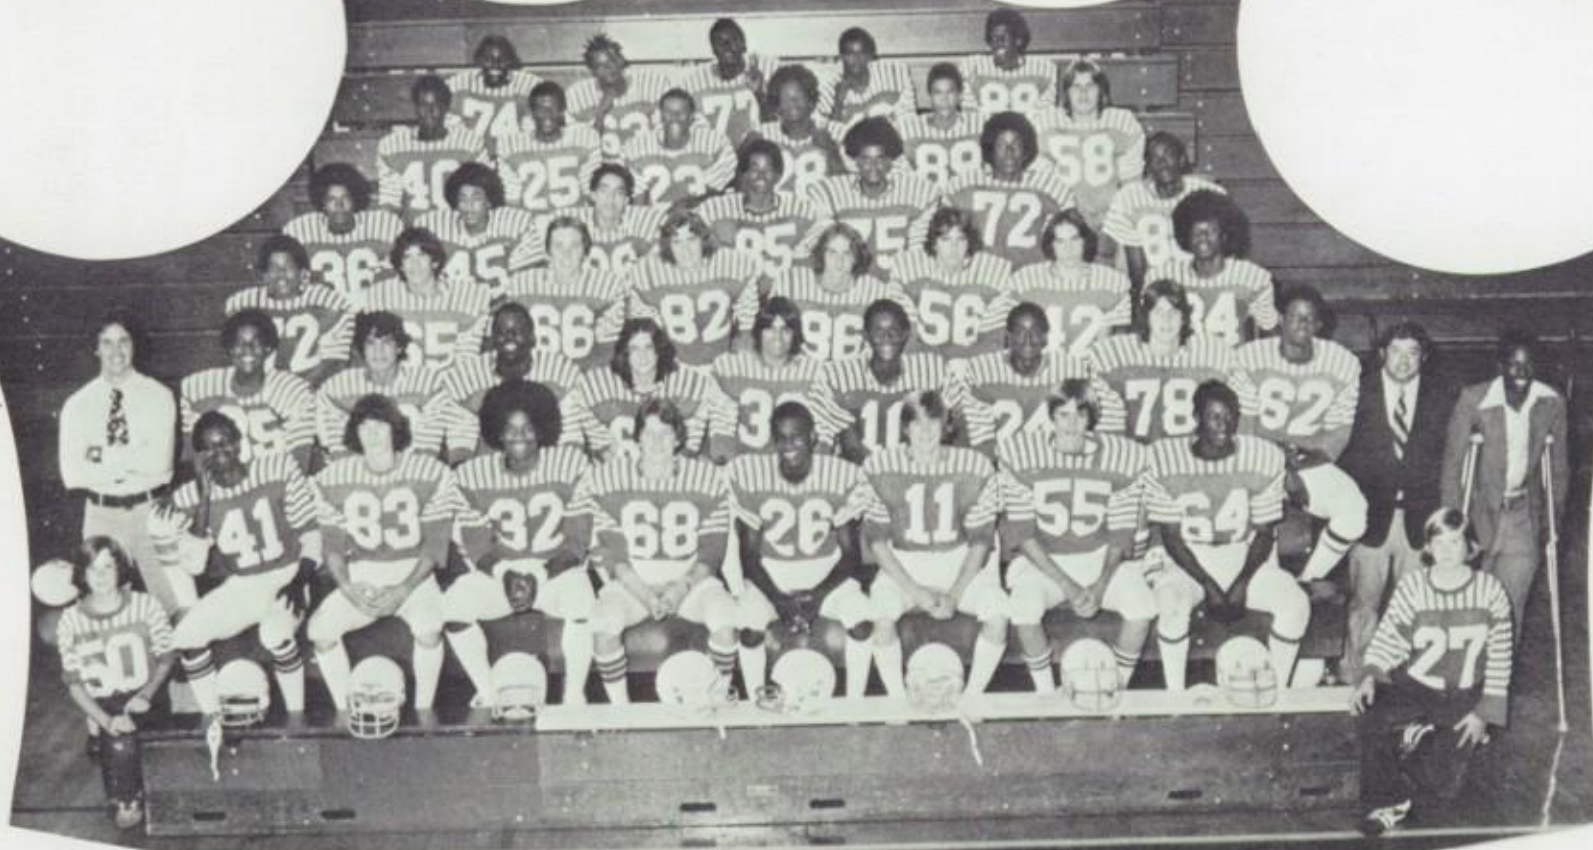

Only the five runners who finish first on each team are able to contribute to the team's total score. The runner is awarded a number of points equal to the place in which he finished. The team with the lowest score wins. Although they were a young team, Norview's cross country team performed well. The dual meet record was two wins and two losses. They placed third in the district meet and eighth in the region. The outlook for next year is very optimistic since ten runners of a twelve man team will return.

DISTRICT CHAMPS

Under the close supervision of Coaches John Tigmo and Keith Dyer, the Norview J.V. football team once again displayed remarkable talent and a winning form. With an 18-6 victory over Maury, the undefeated J.V.'s clinched the Eastern District title. Led by quarterback David Crossett, who passed for over 500 yards, fullback Rodney Brown, who scored 4 touchdowns in a single game, and Reggie Simpkins, who averaged 100 yards rushing a game, the team proved to be unbeatable.

GIRLS

This year, Norview's girls' basketball team was very successful, winning the conference 8-0, and placing first in Eastern District tournament, second in Eastern Regionals, and third in State. All of this in their second year of competition. Making the All-Eastern District team were Denise Holloway, Wynta Williams, and Delys Brooks, with Delys making the All-Tidewater team.

Denise Holloway led the team in scoring, averaging 13.2 points a game, and Delys Brooks led the team in rebounding, averaging 15.1 rebounds per game.

With only three graduates this year, next year looks like it will be an even better year for them.

From left, top to bottom: Denise Holloway, Linda Willimma, Sharon Gilliam, Assistant Coach — Earl Bryant, Rosalind Sparrow — manager. Second row: Terrie Clinton, Wynta Williams, Lisa Shephard. Third row: Janice Credle, Lydia Whitaker, Wanda Arrington, Angela Holloway. Fourth row: Delys Brooks, Coach P. Fardette, Jan Logan.

BASKETBALL

From left, top to bottom: Raymond Wiggins, Mark Hughes, Lynwood Dawson, Mike Smith. Second row: Phillip Johnson, Robert Greene. Third row: Eric Coleman, Neil Stevens, Jeff Bright, Nate Leary. Fourth row: Ike Clinton, Coach Anderson, Craig Caldwell.

The 1976-1977 Norview boys' basketball team ended its regular season play with a 9-9 record. The Pilots tied for third place in District play with a 3-5 record. With seven rising seniors returning to next year's team, the future looks bright.

The Norview J.V. Pilots finished the season with an exciting 82-80 overtime win over the Maury Commodores, clinching the Eastern district title and completing an 11-3 season under first year coach, Vic LaDota. Five of the team's eleven victories came in overtime and provided fans with many tense moments. The team was led in scoring by ninth grader, Teddy Smallwood, who averaged eighteen points a game, along with the consistent play of Antonio Harris, Billy Walker, and point guard, Mike Cason.

Again Norview showed that they are a constant power, year in year out, in wrestling. For the past nine years, Norview has placed in the top ten of one hundred and ten schools. This year the Pilots placed fifth, but only nine points from being state champs. The duel meet record was 9-2, with the Pilots averaging forty points per victory. They also won the Norfolk Academy Tournament by ninety-four points and were Eastern District Champions by sixty-four points. Placing fourth in region, Norview had a great number of champions. In fact, every team member was either first or second in one tournament or another. But the two standouts were Charlie Fine (second in the region and state) and Solomon Revils (first in every tournament including state). He dominated his 185 pound weight class by eight points or more over everyone in the state. Butch was also named by the college coaches as the top college prospect in the state.

Dotson (2 silver), E. Ruse (silver), J. Erickson (silver), and J. Epps (bronze). Medal winners for the girls were K. Erickson (gold), D. Hledik (2 silver), C. Wilson (2 silver), P. This year the Junior Class was very active. Their money-making projects included selling spirit buttons and bumper stickers and having car washes and bake sales. All of these projects contributed to a successful Ring Dance, which was held at the end of the year. The Juniors wore their class rings to this event, which was a dream come true. This was one of the most outgoing and spirited classes that Norview had seen in a long time.

The Student Cooperative Association worked hard this year to promote school spirit and student involvement. Fund raising activities included a car wash, a dance, and several successful sales projects. The S.C.A. sponsored a fun week of Homecoming festivities which included a sock hop, a 50's dress up day, and a spirited pep rally. The coronation ceremonies and parade were followed by the traditional Homecoming dance. For Thanksgiving, the S.C.A. held a food and money drive in order to share the holiday with underprivileged families. Likewise, at Christmas, several families were presented Christmas stockings. At the end of the year, new officers were elected, and a party was held for the members.

Norview High School's Co-Pilot staff under the capable supervision of Miss Washburn, was responsible for producing a paper portraying life at Norview in an accurate and concise manner. When the staff was finished, they had provided a comprehensive look at Norview High School and events surrounding it.

OMEGA

Omega just had the time of their life this year!

Omega is a service orientated club dedicated to helping both school and community. The 1976-1977 year was filled with lots of fun and activity for Omega members. Fund raising projects included a bake sale, a yard sale, and a candy sale. The club wrapped goal posts for home football games and constructed a float for Homecoming. A Halloween party was held with some of the money earned. In the spring, Omega sponsored the baseball team.

PELT

Physical Education Leadership Training is a course offered to all juniors and seniors who wish to develop the quality of leadership. They participate in elementary and junior high school teaching. Their duty is to assist physical education teachers. Activities taught by PELT mini teachers are: rope rhythms, ball rhythms, relays, basketball, volleyball, soccer, football, and other games. PELT students also attend tumbling clinics and orientation of 10th graders, officiate at various games, and usher at citywide functions.

PILOTEER

The Piloteer staff publishes the school literary magazine of original writing by Norview students three times yearly. They conducted a school-wide contest in the short story, the essay, and poetry, with cash awards and certificates to the winners. Literary works of the staff were submitted in local, state, and national contests. Many of the students' works were selected for publication in the National Anthology of Student Verse and the Anthology of Student Prose. They also contributed their best work to the Sea Gull, Norfolk's citywide literary magazine.

This year's Keyettes proved to be one of the most active clubs in Norview. Keeping up with tradition, the Keyettes stuffed the fence for all home football games and made a Voo-Doo doll and a float for Homecoming. For the school, they washed blackboards, cleaned the alumni pictures and polished Norview's athletic trophies. Over the Christmas vacation, the Keyettes welcomed back former Norview Keyettes at their annual Alumni Tea. The Keyettes raised money by having car washes, selling doughnuts, and having bake sales and a pie eating contest. The money went towards financing the Keyettes' skiing trip to Wintergreen and their beach party to Cape Hatteras.

Norview's Monogram Club has consistently had in its membership fine athletes with varsity letters in football, basketball, wrestling, swimming, tennis, baseball, track, and golf. This year the club was sponsored by J.T. Sykes, who led various service activities. Among these were the sponsorship of a billboard to promote the Pilot football squad and the giving of fruit baskets to injured football players in the hospital. Without a doubt, this was a very active year for the Monogram Club.

DECA

The Distributive Education Club of America serves a dual purpose. The members have fun, but, at the same time, they learn valuable concepts about marketing, one of the most rapidly expanding areas in the business world today. Most DECA members hold jobs, so essentially they earn while they learn. This year Norview's DECA held several social events, contests, and a final awards program. The contests allowed the student to win recognition for his school, for his business establishment, and for himself.

Principals

Mr. Charles W. Perdue, Principal

Mr. James P. Brown, Assistant Principal

Dr. Margaret B. Saunders, Assistant Principal

Mr. Woodrow H. Franklin, Assistant Principal

In past editions of the yearbook, Mr. Charles W. Perdue has been given several titles, two of which include "the guiding light" and "our beloved leader." These titles are not necessary, however, to point out the importance of his job, that of supervising the administration of Norview High School. Mr. James Brown, the Assistant Principal for General Administration, attends to discipline problems. He also plans student schedules and oversees the athletic program. As Assistant Principal for Instruction, Dr. Margaret Saunders assists department heads and teachers. She also trains and evaluates new personnel and teachers and supervises summer school. Mr. Woodrow Franklin arranges assemblies and student activities. He also has other jobs such as handling Community Chest, welfare projects, and Junior Red Cross.

The role of the counselor is a very important one. The counselors at Norview help students plan for the future. They also help students choose the correct courses, check their credits, make appointments with colleges and investigate their ranking. They arrange parent-teacher conferences, help with standardized testing, and interpret the scores.

Brothers and Sisters in Christ is what BASIC stands for. During their meetings, members sought to find the full meaning of religion and Christ through Bible study. Members shared their knowledge of the Bible and discussed various problems. Although the group was small this year, they hope to have more members in the future.

Debate III, Argument Writing, is a class designed to teach deductive reasoning. The methods used by lawyers to prepare a case for court and the trial process served as the class' assignment framework. After practicing and studying, the students prepared a mock trial.

Mr. Pete Decher, a local lawyer, and his "friend," George Savalas, acted as judges on court day. This 'Mock Trial' was a great success and gave the students an idea of how lawyers write up cases and how the court and judicial systems work.

IN MEMORY OF OUR BELOVED SON
DANNY MONROE HOFFLER
WHO LEFT US DECEMBER 15, 1976

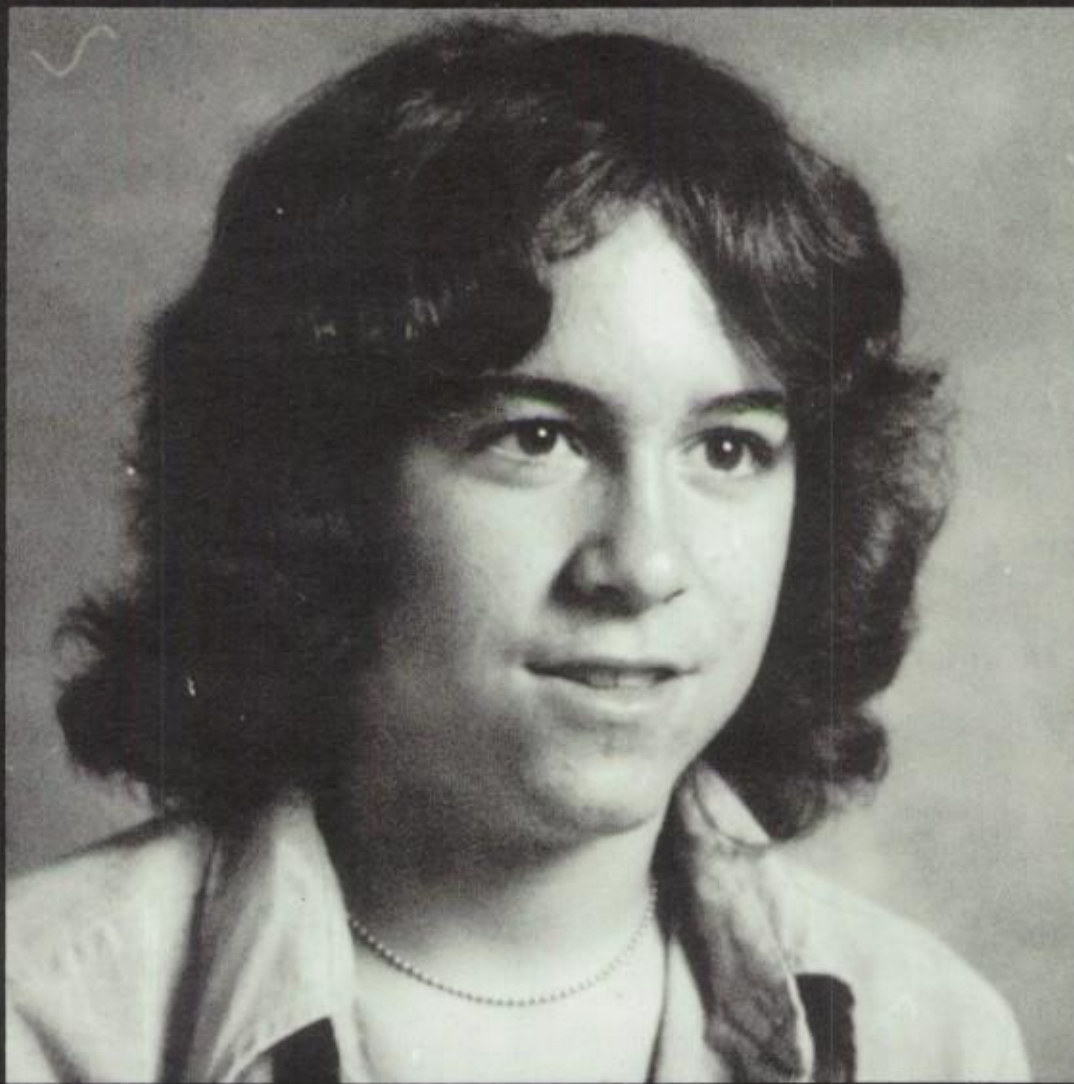

HE WISHED NO ONE A LAST FAREWELL
OR EVEN SAID GOOD-BYE
HE WAS GONE BEFORE WE KNEW IT
AND ONLY GOD KNOWS WHY

TO WRITE HOW MUCH WE MISS HIM
WOULD TAKE THE REST OF OUR LIVES
TO FORGET THAT WE LOST HIM
SEEMS TO BE OUR DAILY STRIFE

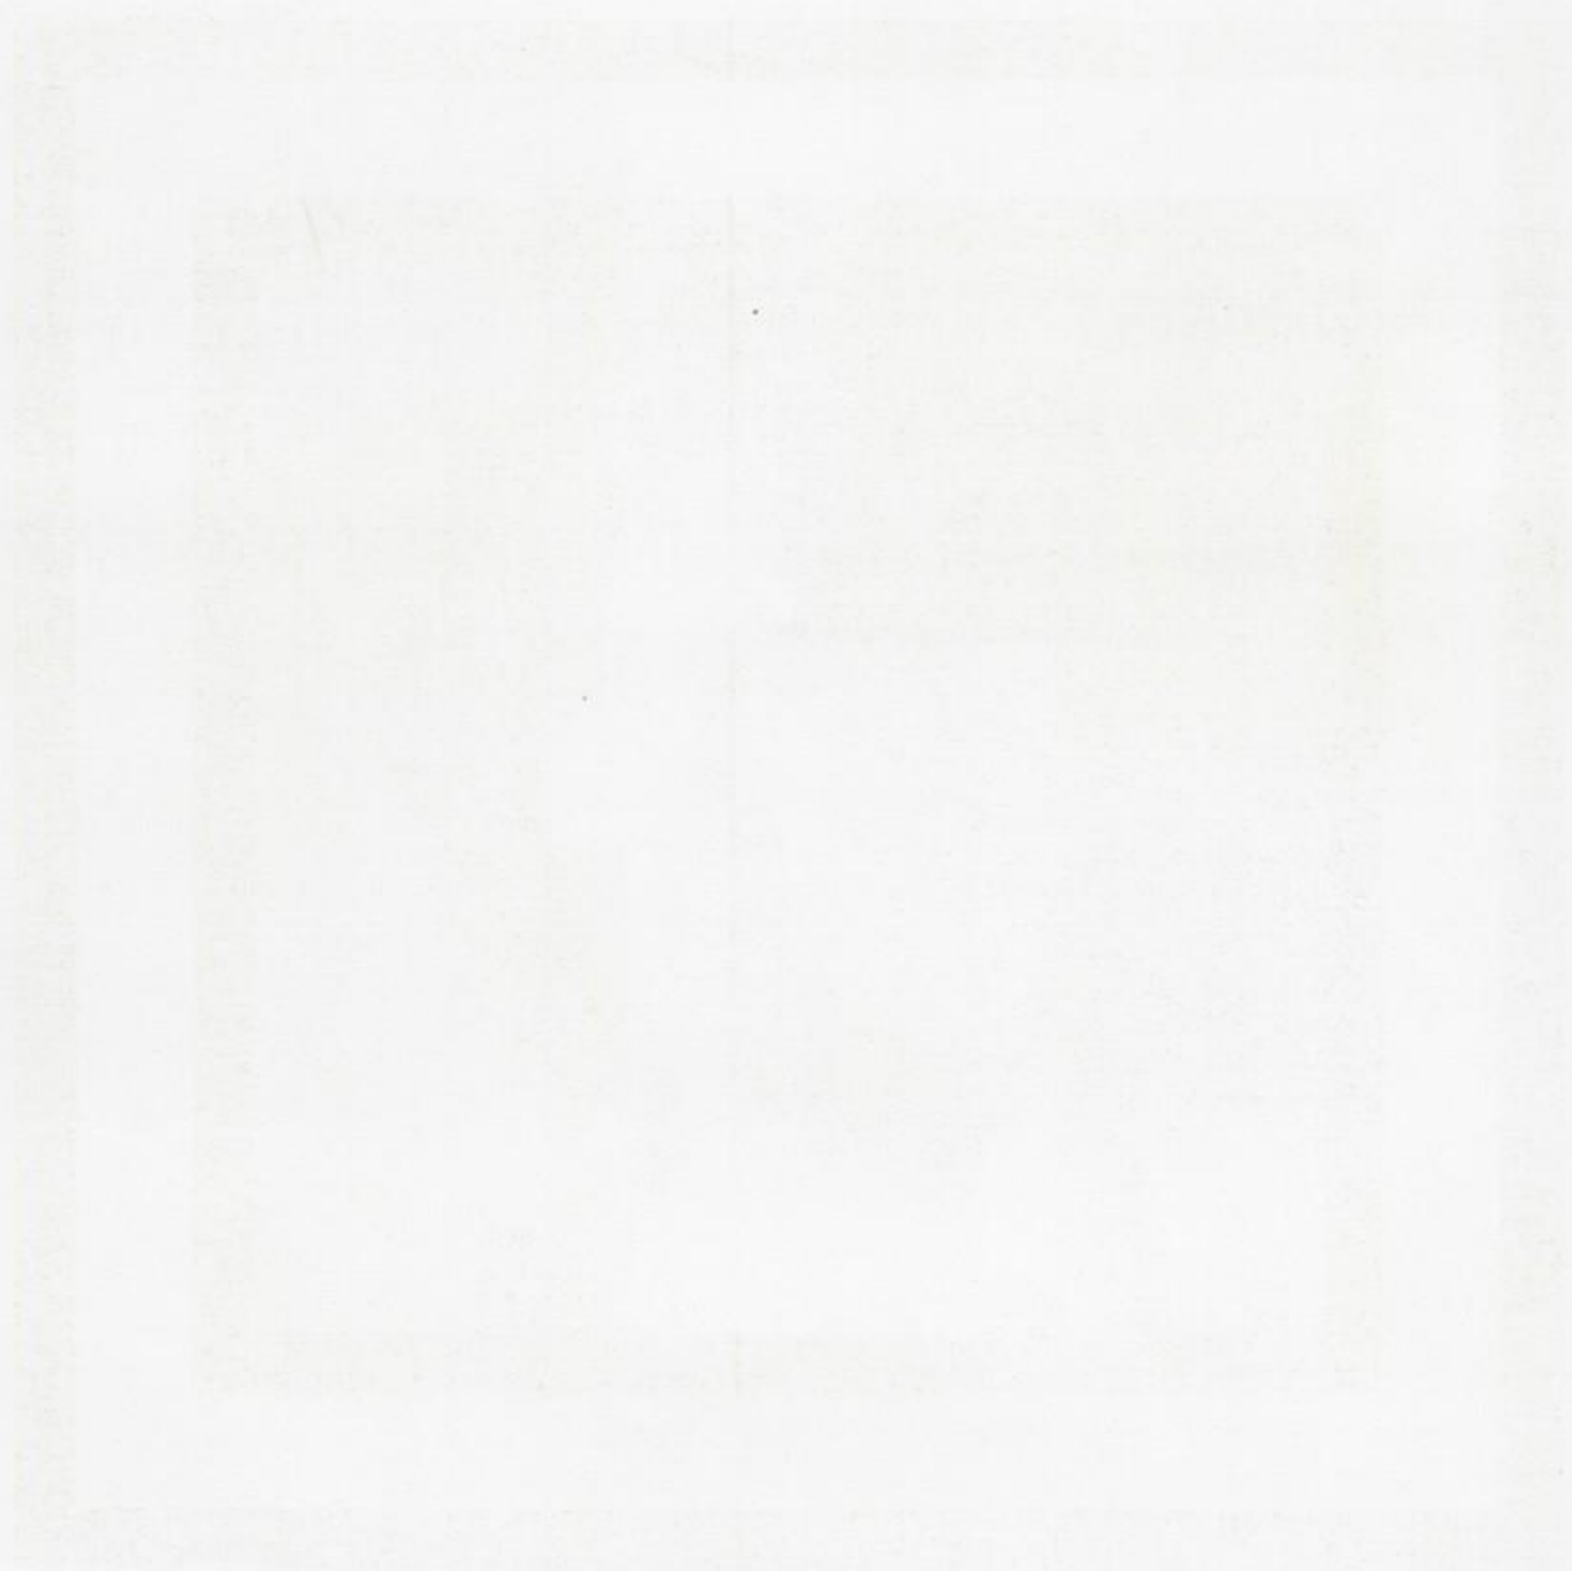

IT BROKE OUR HEARTS TO LOSE HIM
BUT HE DID NOT GO ALONE
FOR PART OF US WENT WITH HIM
WHEN JESUS TOOK HIM HOME

WE SHALL NEVER CEASE TO LOVE HIM
HIS MEMORY SHALL NEVER FADE
DEEPEST LOVE FOREVER LINGERS
AROUND HIS SWEET AND PEACEFUL GRAVE

As the 1976-77 school year comes to a close, and we reflect on the changes that took place, we realize that the memories will last forever. It is not only the everyday things that we will remember but the special events and the many friends we made. When our school years have ended, these memories will stand out in our minds.

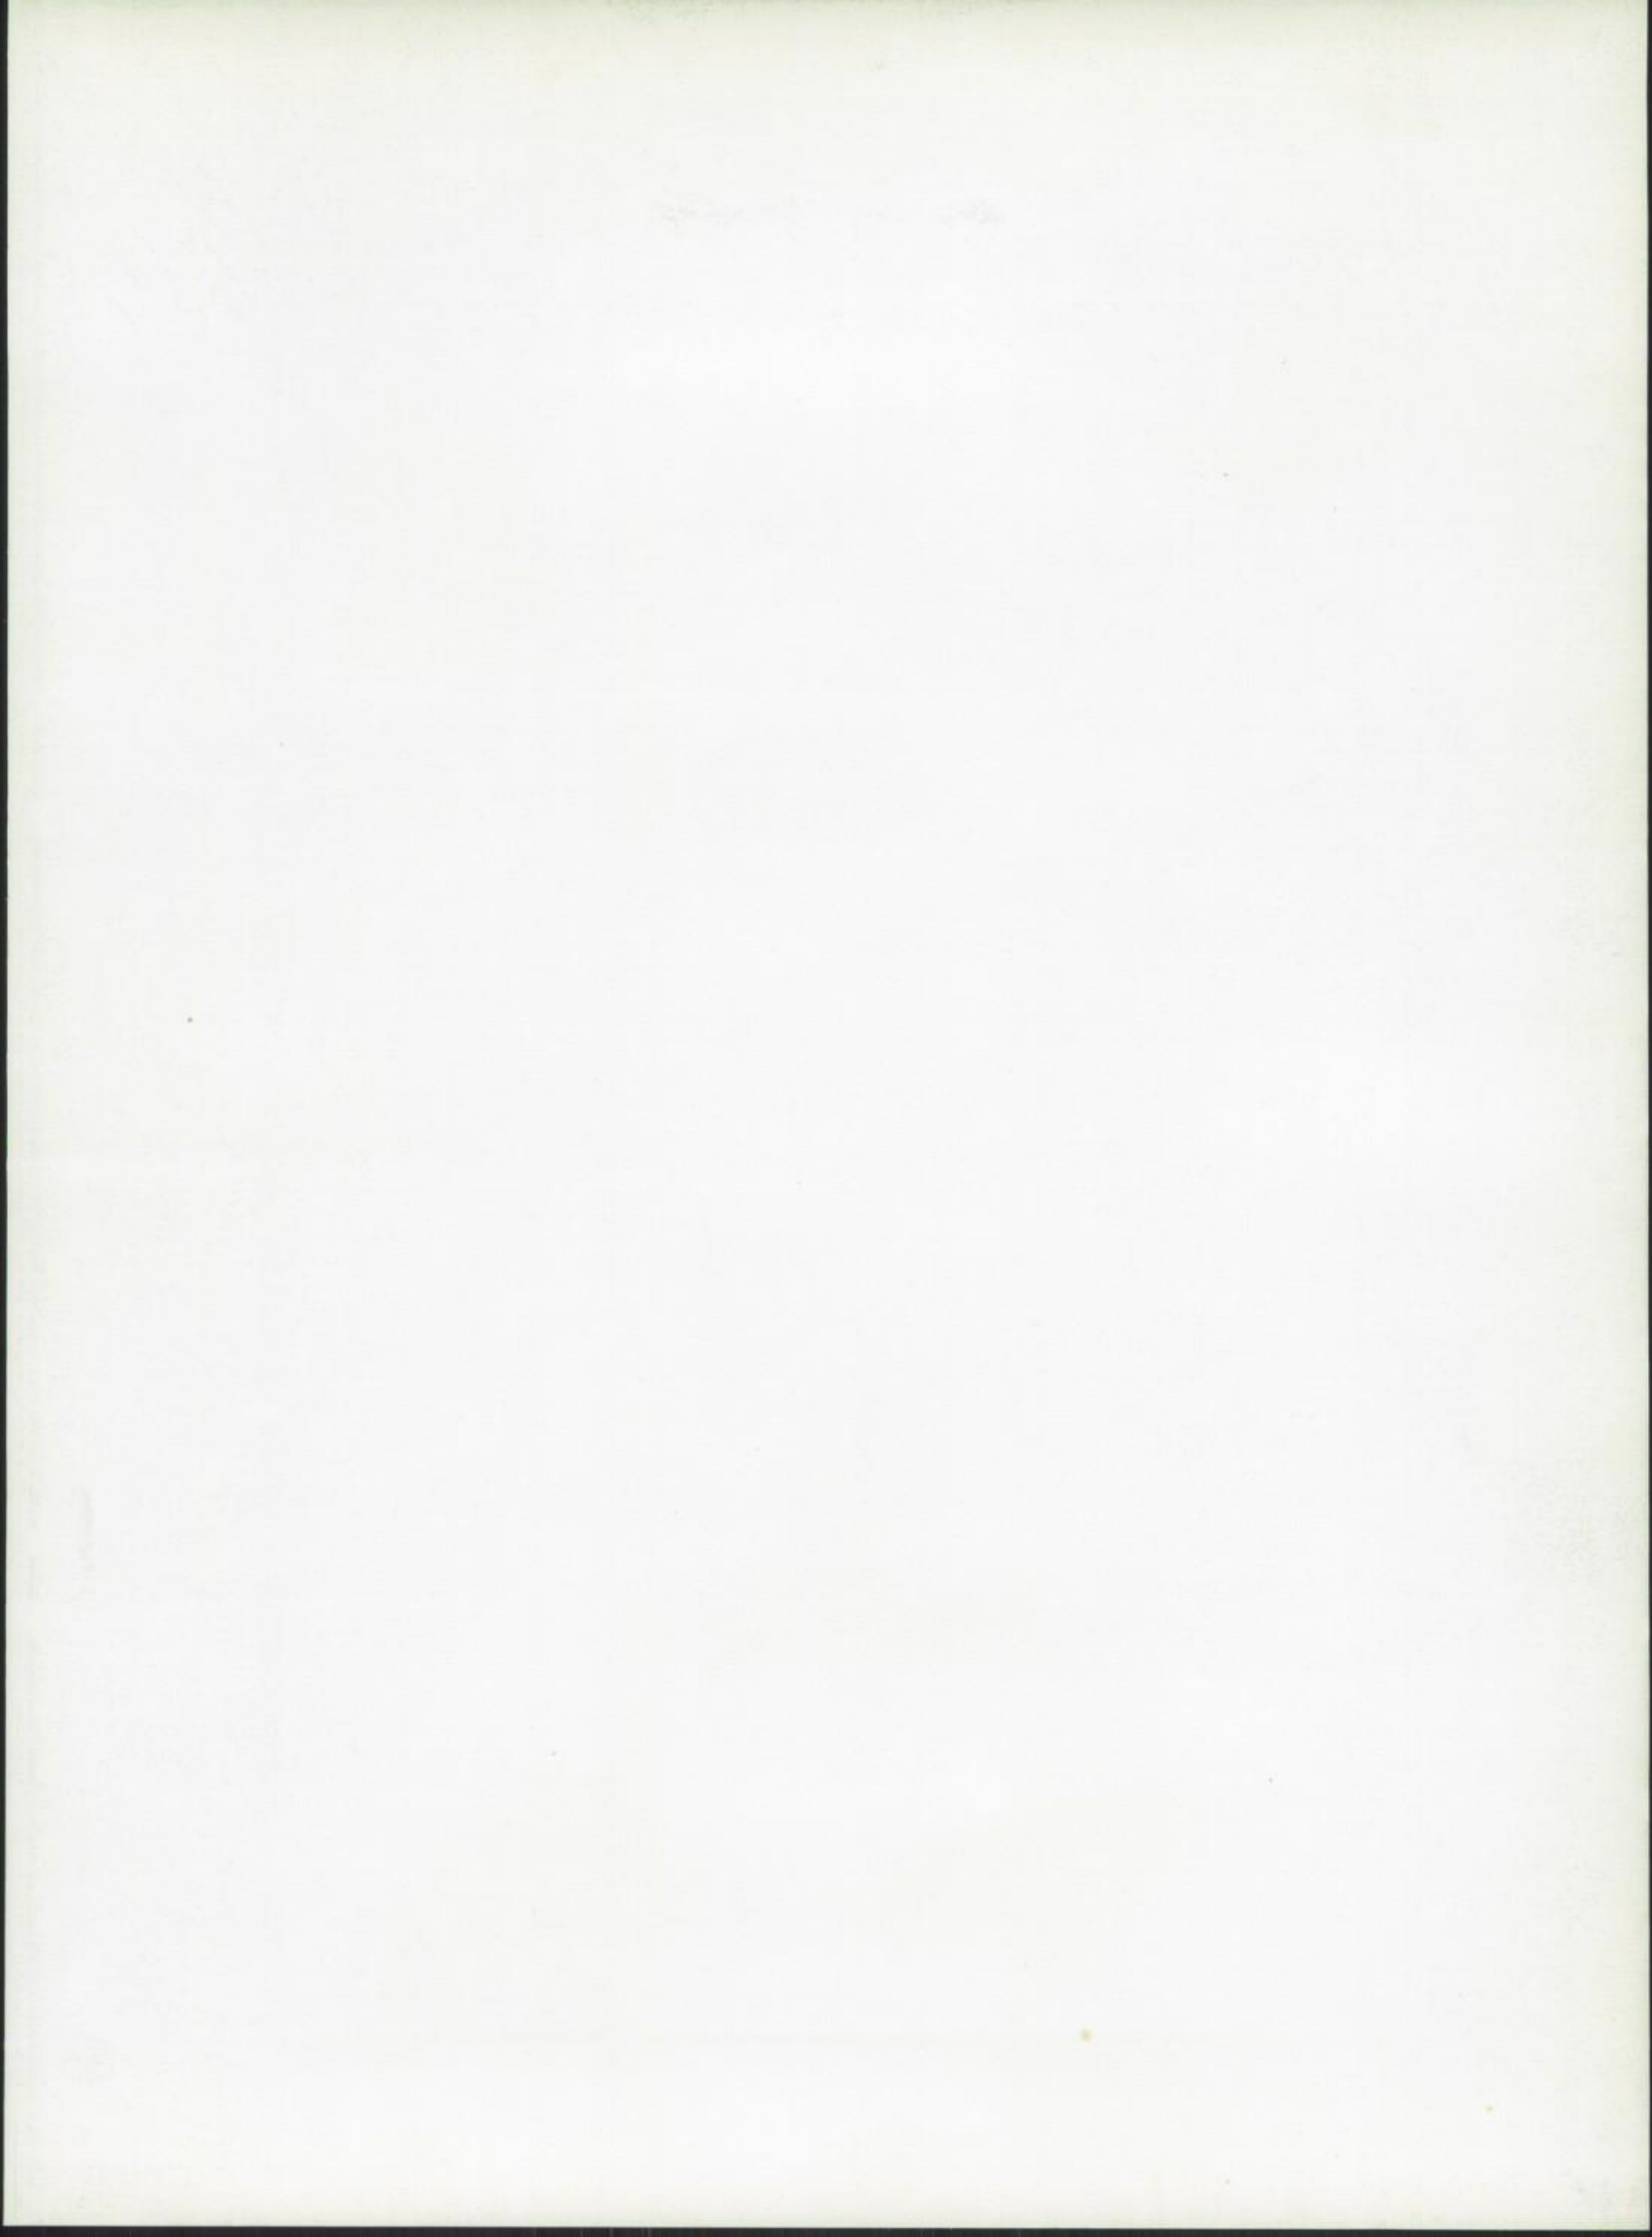

REFLECTIONS

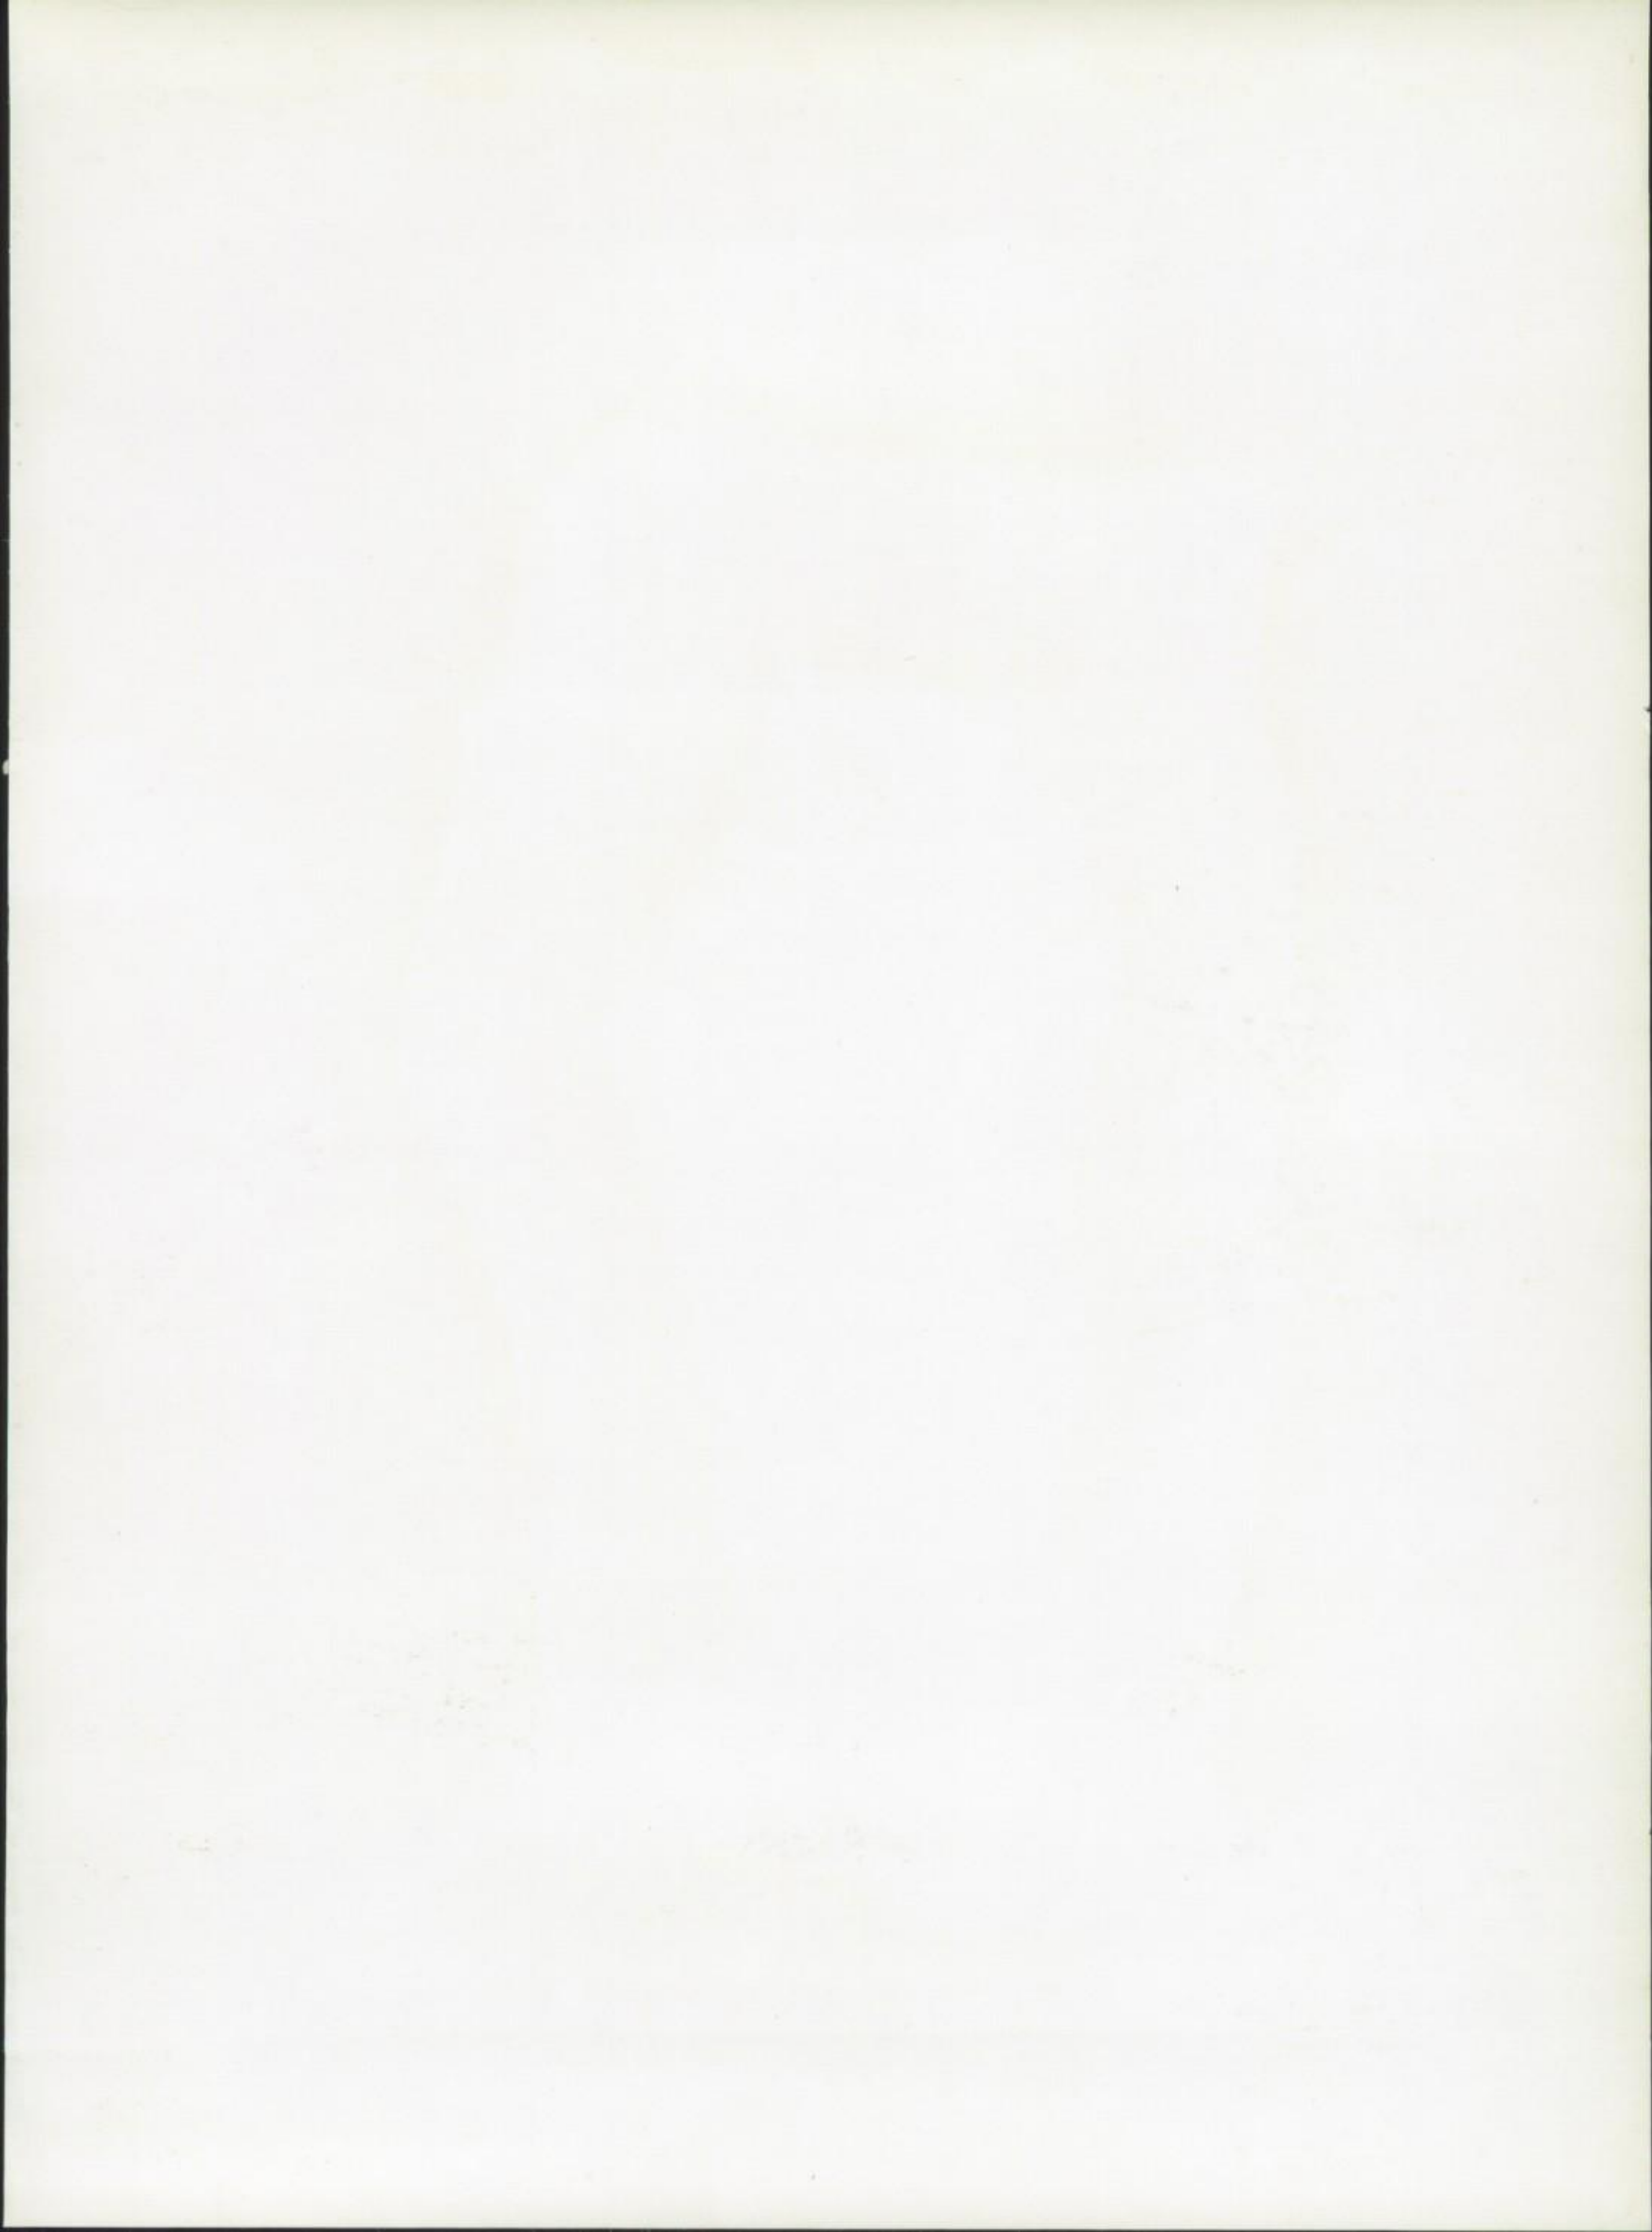

Graduation marks the official ending of the school year. It also marks the beginning of new horizons in the lives of many seniors. Some will go on to further their education or begin their careers while others will get married and start their own families. No matter which path they choose, they will always remember Norview High.
